TEMMY LATNER CENTRE FOR
PALLIATIVE CARE

Qualified palliative care physician needed at Canada's largest palliative care centre

We, at the Temmy Latner Centre for Palliative Care, under Sinai Health, are looking for palliative care physicians to work in a variety of settings, including the home-care program, outpatient clinic at Mount Sinai and consultative care at Bridgepoint Active Health starting July 2022.

Sinai Health has an integrated palliative care program, with outpatient clinic care, acute care, home care, and palliative care unit programs

We are seeking physicians who believe that people with advanced progressive illness deserve compassionate palliative care, which serves the physical, emotional and spiritual needs of patients and their loved ones. Successful applicants will be committed to working collaboratively with care team members and dedicated to communicating openly with their patients and colleagues.

Other qualifications include:

- Valid Ontario medical license
- CFPC or RCPSC certification and membership
- Active CMPA membership
- Valid driver's license and car
- Working laptop and cell phone.

For more information about the Temmy Latner Centre, please visit our website at www.tlcpc.org.

If you are interested, please submit a letter of interest and your CV to irania.ledesma@sinaihealth.ca, with attention to Dr. Russell Goldman, Director, December 31, 2021.

The Temmy Latner Centre for Palliative Care is committed to ensuring that members from a broad range of communities feel empowered to apply for positions within the organization. We recognize that a diverse work force is critical to providing care to the communities we serve. We are dedicated to taking proactive steps to overcome historical patterns of discrimination in our society which have created barriers of race, colour, religion, sex, national origin, age, disability, language, class, sexual orientation, and gender identity.
